Low

Possible Petroleum Refinery in Stryy

25X1D

232

49 15 N - 23 50 E

Materials

Petroleum

During WWII a small refinery was reported to have been operating near the town of Stryy. Confirmation or denial of its existence is requested. If a plant does exist, describe installations according to location, number and size of equipment:

- (1) Shell stills
- (2) Pipe stills
- (3) Cracking units
- (4) Storage tanks
- (5) Power plant

(For typical photos of some of this equipment, see Air Force Manual, AFM 200-18, 1 Nov. 1955, Intelligence Collection Guidance Manual, Fuels, Lubricants and Rocket Propellants, pp. 21-72, Confidential).
